

2016-2017 ANNUAL SKATING SHOW SIGN UP FORM

Would you like to do a solo, duet or group number? All ages and levels from the "Learn to Skate" classes as well as those who ice dance will be needed. Will be able to incorporate solo, duet, as well as group numbers. Possible involvement of the parents with props and scenery.

Please sign up below if interested. We would like to see what the interest level is, whether group, dance or solo number, and who will assist with props. Theme for the show to be announced at a later date.

Notes:

1. All Group Classes (with the exception of the moves in the field and the intro to jumps and spins class) are subject to change depending on who signs up and for what days.
2. Michele will be available to work on the show, or give private lessons, or assist wherever support is needed.

Please sign-up for the show, and return this form with your membership application.
